Ocean Mohamadi

667 S Twin Oaks Valley Rd. San Marcos, CA 92078
Phone: (714)862-7145 E-Mail: ocean.mohamadi5423@smusd.org

Objective

I have experience in many things, ranging from charity work to babysitting. As well as that, I've taken classes learning how to use Photoshop, Microsoft word, etc. Additionally, I've been on my Varsity basketball team, and JV softball team.

Experience

Dar Al Atta   **2013/2014**

I volunteered at a charity overseas, in Oman, and helped construct the boxes, divide food into multiple boxes and ship it out. I did this two years in a row, and received multiple awards.

Babysitting   **2014-2015**

I've babysat for multiple people, ranging from ages as young as 8 months to 10 years old. I have experience in cooking food, feeding the children, cleaning the house, changing diapers and taking care of their pets.

Secretary   **2014**

I was a secretary for my mothers steel and metal company during the summer time. I helped file things, organize things into specific binders, clean the office, and make appointments.

Education

British School of Muscat   **2012-2014**

I attended a private school is Muscat, Oman and completed freshman and sophomore year at that school. I was on my Varsity basketball team and JV softball team and brought our school many wins.

Mission Hills High School   **2014-currently**

I attend MHHS currently and I am a junior. I plan to finish high school here and graduate with honors. I also plan to try out for the Varsity basketball team senior year.

Skills

My skills include Photoshop, Microsoft word, Microsoft PowerPoint and Adobe illustrator. I learned these skills in my Photography class, Media class, and Film studies. We were required to use these skills to create magazine front covers, double-page spreads, to promote movies on different products and to create images. I've also used Photoshop to create a t-shirt for WASC and got places 2nd place with my team. Although we got 2nd place, our school asked us if they could use our design as their bookmark and got recognition for that.
